

New Life

Zion Kaleo Brink Woodfin was born May 10th at 5am. It was awesome to see him take his first breath and to see the start of his new life in this world. However, that is also a scary thought. This world isn't really certain and many times it seems like the future is not all that bright. But then the lines from a very familiar song came to my mind,

"How sweet to hold a newborn baby, and feel the pride and joy he gives:

But greater still the calm assurance: This child can face uncertain days because Jesus Lives!"

How true that is! We can have confidence in this life because our life is in Christ, the creator, sustainer, and almighty God of the universe. We have nothing to fear as long as we have put our faith and trust in Christ and the free gift of Salvation he offers.

We were blessed these last couple months in our ministry to see several people come to faith in Christ. Of these there were two boys in particular who were amazing to watch. As soon as they surrendered themselves and trusted in Jesus as their Savior, you could see that "New Life" enter them. Their whole outlook on the world changed, they could face uncertain days because JESUS LIVES!

We are moving to San Francisco in August and we cannot wait to spread that hope of New Life to those in the Bay Area! Please continue to pray for us to gain the rest of our support, for our move to SF and for us to be able to quickly find housing. Also, be in prayer for the two other couples on our church planting team as they transition to San Francisco and for their hunt for jobs and housing as well.

This life is hard, and at times it can be scary. But in spite of all the darkness out there in the world we as followers of Jesus know that we have that unshakable HOPE and that no matter what...

"Life is worth the living Just because Jesus Lives!"

We would love to hear from you!

This is Joey, one of the boys I was able to lead to Christ. Pray for him as He continues to grow in the Lord.
