

"THE DAGGS"

MAY-SEP 2023

Hello Friends and Faithful Supporters! Thank you so much for your faithful prayers and support! God has been so good to us this past spring and summer. This letter contains some of the highlights, but for more in-depth coverage of all that has happened check out our update video by scanning the QR code below or visiting our website at WoodfinCrew.com

Sam Dagg Ordination

There are few highlights in my ministry that could outshine the one I am about to mention.

On August 13th, 2023 Branches Baptist Church in San Francisco, California ordained Samuel Dagg into gospel ministry. Sam is someone that the Lord allowed me to reach during my church planting days in Ohio. After their salvation, Sam and Madie began to seek the Lord's will and felt the call to move with us to help us start churches in San Francisco.

After going through discipleship, and pastoral training, our church was able to ordain Sam. It was truly a beautiful event filled with joy and the wonder at God's divine providence.

Sam and Madie have been a crucial part of our team helping us to start Branches Baptist Church here in SF. They have grown in their faith and abilities tremendously, and it pleases me to see the Spirit of God at work in them and the Pastoral giftings and call that God has given to Sam .

The Dagg's have now felt the call to move back to Ohio to continue the ministry God has for them there. This is a terribly hard loss for Hali and I as we are losing our closest ministry partners and friends. But, we are confident that the Dagg's will continue to serve the Lord as He leads them and we are confident that God will fill in the gaps they leave behind.

Please join us in praying for the Dagg's. **And if you feel led to help a church plant in San Francisco we are recruiting laborers for God's ministry here in SF!**

Missions Team

In July we had a team from a supporting church in Texas to help us get the word out about our upcoming Friend Day outreach and to serve our church in various other ways.

During their time they were able to get out 10,000 door hangers, serve our volunteers and community, and they led one of our Sunday services. Our mission director, Joey Bacon, preached a wonderful message and after the service I was able to lead a man to the Lord that had been coming to Branches for the past year (see pic above).

God still saves!!

Friend Day

We celebrated our 2nd anniversary as a church on September 17th with a Friend Day! We had our 2nd highest attendance with over 70 people joining us for worship with 15 first time visitors.

It was a great day and we're hoping that the connections we made with our guests would bear fruit.
